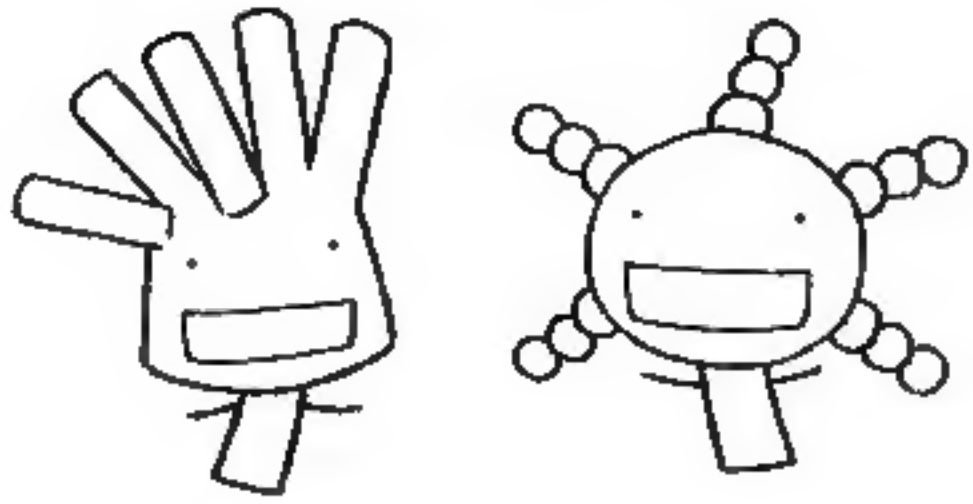
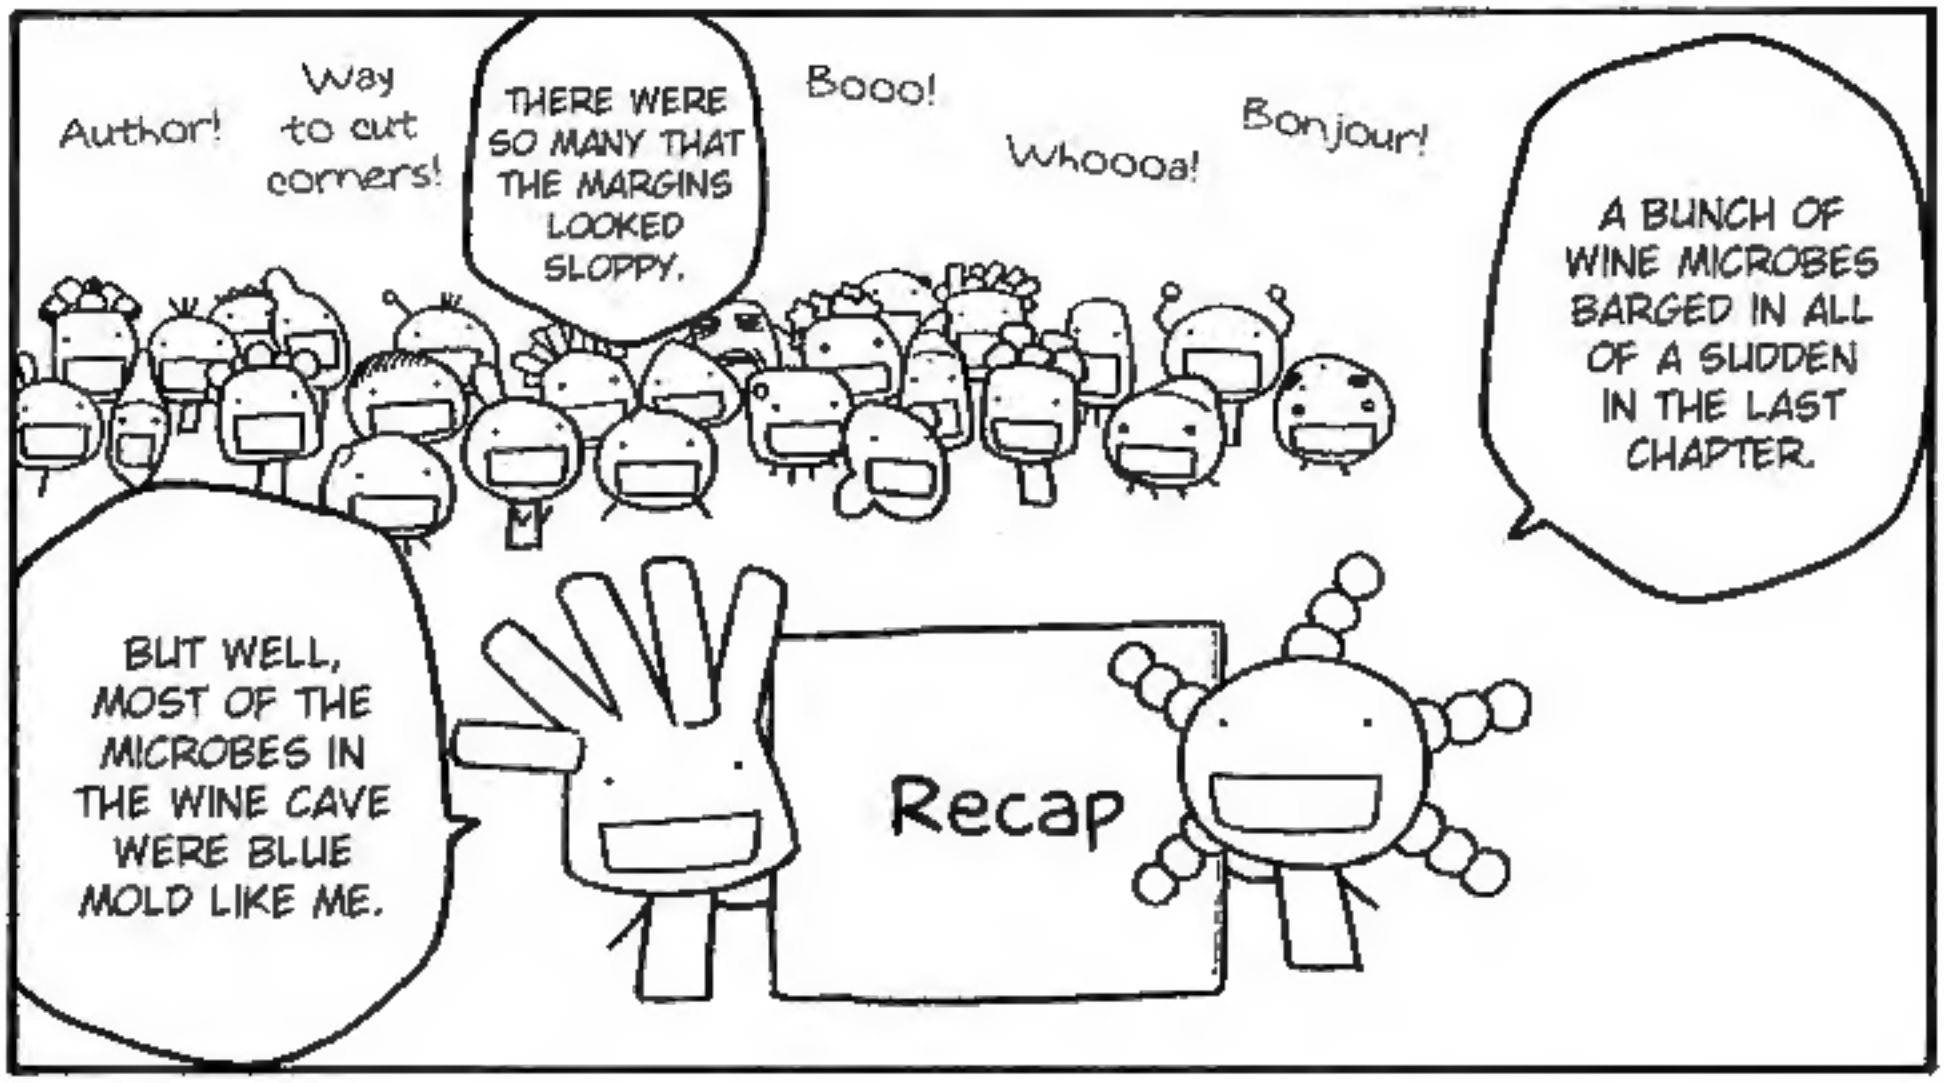
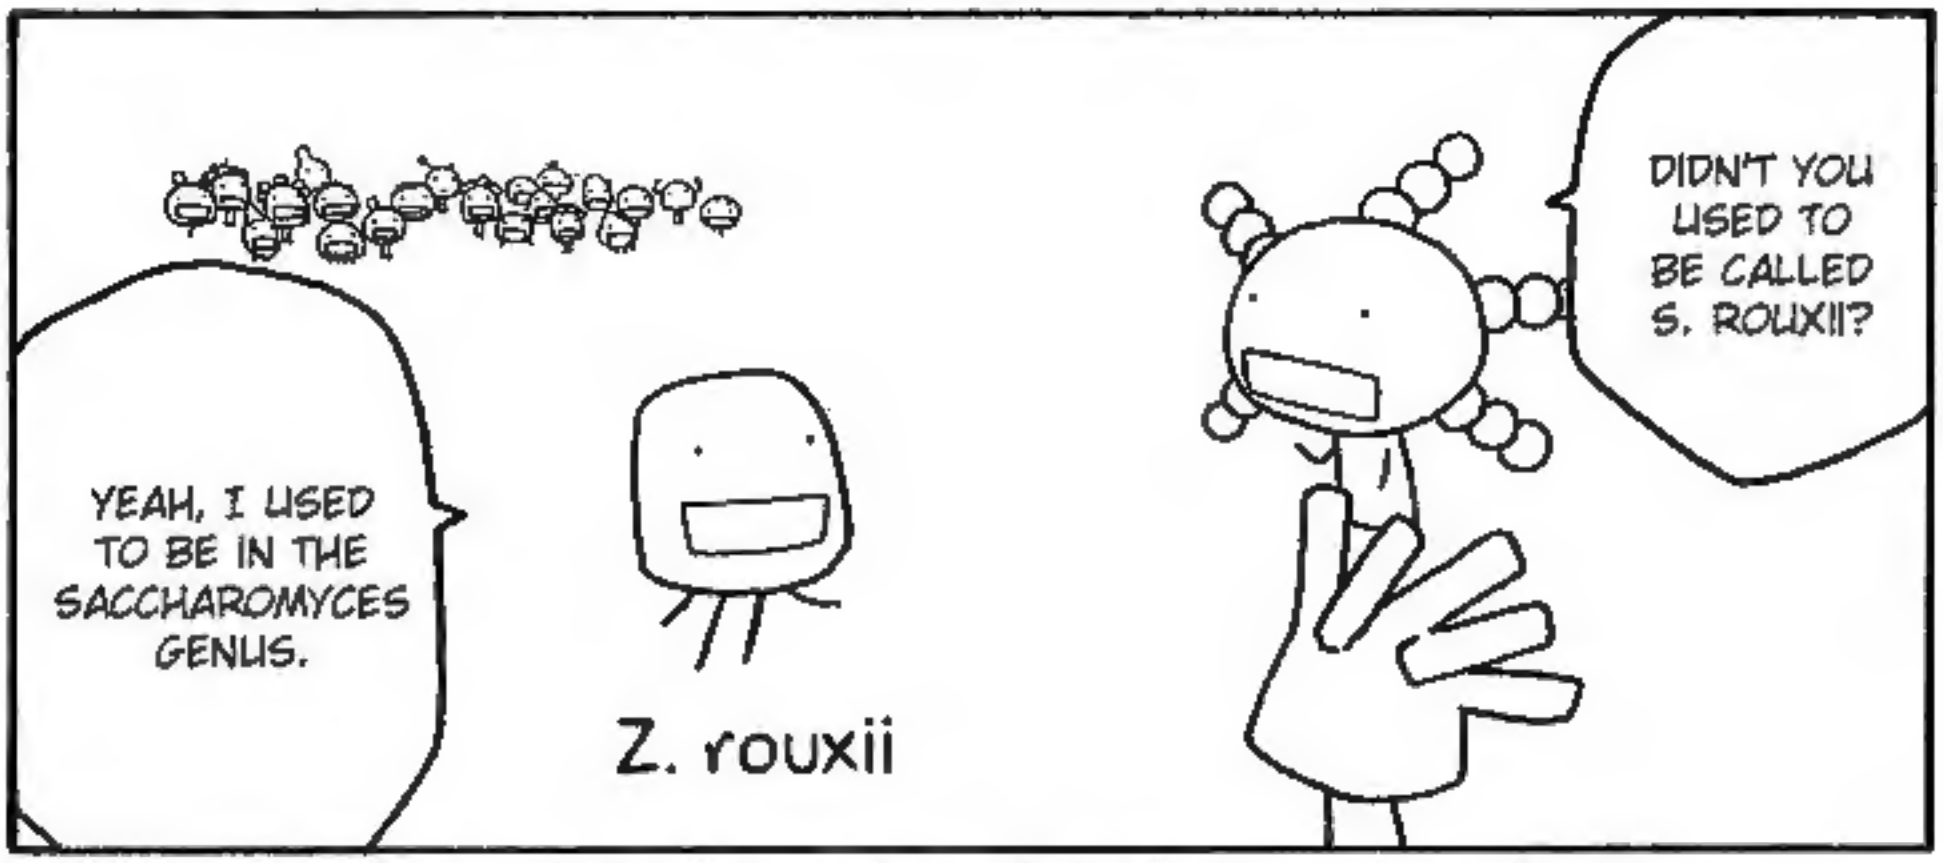
Heyyaz!



Heyyaz seems to be another way of saying "Sup?"





This is a Fictional story where it's Finally time For the anime to premiere, but each channel is airing it at a different time and date, so a list is given at the end. Please look over it.

DON'T WORRY ABOUT IT. IT'S NOT LIKE ANYTHING ABOUT YOU CHANGED.

THAT HAPPENS ALL THE TIME FOR VARIOUS REASONS.

MY NAME CHANGED FROM SACCHAROMYCES TO ZYGOSACCHA-ROMYCES IN THE 1970s.

YOU'LL ALWAYS BE YOU.

Really?

WE'LL TRY TO INTRODUCE THEM AGAIN SOMEDAY.

AND SO, IT'S NOT AS IF WINE MICROBES ARE ONLY FOUND IN WINE.

ISN'T THAT JUST BECAUSE THE AUTHOR MADE A MISTAKE BECAUSE HE DIDN'T RESEARCH ENOUGH?

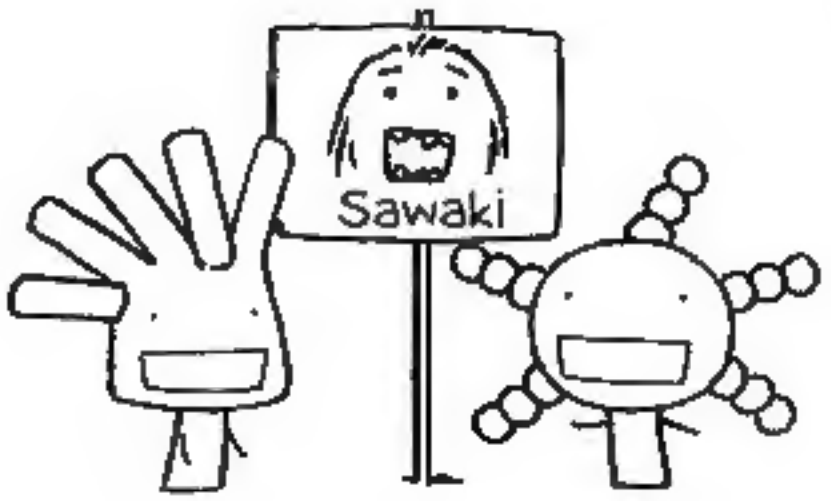
Gaaah!

Bread

TALES OF AGRICULTURE

IT'S NOT LIKE WE'RE DOING THIS JUST BECAUSE IT'S RIGHT BEFORE THE ANIME PREMIERES, BUT HERE'S A REVIEW.

THIS IS A DYNAMIC STORY ABOUT TADAYASU SOUEMON SAWAKI, A GUY WHO CAN SEE MICROBES WITH THE NAKED EYE AND WHOSE PARENTS RUN A MOYASHI SHOP, ALONG WITH HIS FRIENDS AND US MICROBES.



CH. 74: MICROBE THEATER TO COMMEMORATE THE ANIME ADAPTATION

TL note: This was originally released as chapter 68, so chapters 68-73 in volume 6 were originally numbered 69-74, which is why volume 7 begins with chapter 75.

GRADUATE STUDENT HARUKA HASEGAWA WAS TAKEN AWAY TO FRANCE, SO SAWAKI AND THE OTHERS ARE PURSUING HER UNARMED TO TAKE HER BACK.

OHHH!

La France

THE STORY IS CURRENTLY SET IN BURGUNDY, FRANCE IN AUTUMN.

SHOULDN'T YOU STOP BEING STUBBORN AND JUST TALK ABOUT THE ANIME?

Huh!?

YOU GUYS AREN'T JUST GONNA LAZILY REVIEW THE FRANCE ARC, RIGHT?

ISN'T IT ABOUT TIME TO START WRAPPING UP THE FRANCE ARC?

THEN MOVE THE STORY ALONG, STUPID!

WHAT ARE YOU SAYING? THE MANGA HAS TO DO A PROPER JOB.

IF YOU'RE LAZY, THE TITLE IS GONNA CHANGE AGAIN.

REALLY? IT'S REALLY GOING TO CONTINUE WITH A BANG, RIGHT?

SHUT UP! THIS IS THE FIRST MICROBE CHAPTER IN A WHILE! THE FRANCE ARC WILL CONTINUE WITH A BANG WITH THE NEXT CHAPTER!

THEN WHAT'S THE POINT OF THIS CHAPTER?

Waaa!

Waaa!

Waaa!

Waaa!

Waaa!

Now then, to commemorate the anime adaptation, we'll be giving out the usual microbe figurines,

10 people will get them in a lottery!

Send your entries to the editing department "C/O Figurine prizes to commemorate the anime adaptation".
